

Endurance Team Event

Over the last few years a British Riding Clubs Team Endurance Event has been held at Endurance GB's Lions Tail Ride in Leicestershire. Endurance GB has decided to develop this Riding Clubs Team Endurance Event into a national competition by introducing the concept of Regional Qualifiers which will then culminate in a National Final.

At both the Qualifiers and at the Final, Teams will be asked to compete over a distance of 30 to 35 km (approximately 20 miles) at a speed between 8 kph (approximately 5 mph) and 15 kph (approximately 9.4 mph). Each horse must pass an initial veterinary inspection, complete the course at the required speed and pass a final veterinary inspection in order to be successful overall. Three team members out of the four must be successful for the team to be deemed as being successful and therefore be considered for the Final.

Our local qualifier is being held at Firle on the 22nd August 2010 over a 32km course (around 20 miles). If you are interested in participating in the ride or might be interested in participating in a future ride please contact Maria Elliott on 07786 965624 or email mariaelliott@tiscali.co.uk.
