

**Cross Country Clinic**  
**Saturday 11<sup>th</sup> February 2012 from 3pm**  
**With Penny Sangster (BE Accredited)**  
**At Golden Cross Equestrian Centre**

We are continuing our winter cross country training with Penny. We are fortunate enough to be able to hold a session at Golden Cross after some British Eventing training that Penny is running. This means we can hold an indoor session and will be able to use some of the cross country style fences at Golden Cross which I'm sure is very appealing to our members at this time of year!!!. We will continue to work on the technical aspects of riding a course. (As best we can in a school environment). As well as general training she will also be focus on things like bounce fences, skinnies and corners.

As usual we will split the groups according to ability and experience.

The sessions will be in groups of 4 for 1 hour and are £20 per person for club members and £22.50 for non-members. Priority will be given to members as spaces will be limited and payment will be required by everyone prior to the clinic.
